

Position Announcement - October 23, 2019

NECTD Fleet Mechanic

The Northeastern Connecticut Transit District (NECTD) is seeking a full-time fleet mechanic to perform maintenance, diagnosis, and repairs on all NECTD buses and related equipment.

Persons interested in this position must have the following qualifications:

- High School Diploma or G.E.D. (Vocational/Technical degree in related field preferred) and a satisfactory completion of automotive and heavy equipment training courses. ASE Certification in automotive, truck or transit bus preferred.
- Satisfactory experience of at least two years as a fleet equipment technician, and a current and valid Class B "CDL" license - therefore making this position subject to random drug / alcohol testing.
- Additionally, solid skills in engines, transmissions, brakes and suspensions, electrical systems, air systems, chassis and suspension, HVAC, welding and cutting, and common mechanic hand tools, pneumatic tools and diagnostic equipment.
- Solid knowledge and understanding of OSHA and safe working practices and procedures.
- All applicants must be able to pass a criminal background check.

This is a full-time, benefit eligible position and the starting rate is \$24.00 - \$30.00/hour.

Applications will be accepted until position filled at:

Northeastern Connecticut Transit District

PO Box 759

Dayville, CT. 06241

Or by email at:

necogoffices@necog.org

NECTD is an equal opportunity/affirmative action employer and strongly encourages the applications of women, minorities, and persons with disabilities. Full job description, employment application and instructions for applying can be found at nectd.org
